HOSTED BY SUMNER COUNTY GIFTED SERVICES

Learn the difference between perfectionism and a healthy striving towards excellence.

Understanding Perfectionism

Why do some gifted students harbor perfectionism? How can I help my child deal with perfectionism and channel it in positive ways? Dr. Emily Mofield, Gifted Consulting Teacher for Sumner County Schools, will provide information about perfectionism as it specifically relates to gifted children. Parents will learn ways to guide students towards a mindful pursuit of excellence without self-criticism, self-doubt, or negative evaluations associated with unhealthy perfectionism. Dr. Mofield has published several research manuscripts about the social and emotional needs of gifted students.

April 10, 2017 6:00-7:15 pm

T.W. Hunter Middle School

2101 New Hope Road, Hendersonville, TN 37075

April 25, 2017 6:00-7:15 pm

Rucker Stewart Middle School

350 Hancock Street, Gallatin, TN 37066

Children are welcome, but the presentation is geared towards parents.
